

Edelweiss Arm Wins ₹2,259-cr Toll Road Deal

Mumbai: EAAA Alternatives' Infrastructure Yield Strategy, through its portfolio company Epic Concessions 2, signed concession agreements with the National Highways Authority of India (NHAI) for operating two toll roads in Tamil Nadu for 20 years.

The projects, located on NH-38 and NH-83, were awarded under NHAI's Toll, Operate and Transfer (TOT) programme. They comprise the

Thanjavur-Trichy and Madurai-Tuticorin stretches, spanning about 170 km, and carry a combined con-

cession value of ₹2,259 crore.

With their addition, EAAA's infrastructure platform now comprises 26 roads spanning over 7,700 lane kms in 17 states, including assets for which binding agreements have already been signed. "Our participation in TOT Bundle 19 reflects EAAA Alternatives' continued commitment to deploying patient capital into large infrastructure assets," said Amit Agarwal, CEO at EAAA Alternatives..—Our Bureau
